EXPERIENCE BACKGROUND

Important-Please Read

Instructions : You should provide your complete work history in the experience background section on the following pages unless you have submitted a full and complete application since March, 1999. This applies to all applicants, including current employees. In providing your complete work history information, you may use copies of pages from previous applications to construct one complete and up-to date application. If you have submitted a full application since March, 1999, you may omit your prior work experience, except for the experience you have gained since the time of your last application. Even if you have continued in the same job, that job should be listed in job block A to show that you've continued working in the same position. To complete your work history, use the job blocks provided below and on the following pages, beginning with your present or most recent job in job block A. If necessary, you may attach additional sheets to provide your complete work history in the format shown below. It is important that you accurately describe the major responsibilities associated with each job you have held, along with all other requested information for each job. Incomplete information may lower your application rating. If you moved to a different position within the same organization and your major duties changed, you must list each position as a separate job. For military experience, it is important that you include the dates and pay grade for each position held. Unpaid, volunteer or part-time work experience may also be included with your work experience history. You may submit an employment resume to supplement your application; however, you must describe your major job responsibilities in the format below to ensure accurate scoring of your application.
